

## MRS. AVERY NOT TO WED A DUKE

Beautiful Society Woman Emphatically Denies Truth of Rumor that She Is to Be British Nobleman's Bride.

### GRIEVED OVER THE REPORT.

London Society Paper Announces Engagement of English Duke to American Beauty from Illinois, but Mentions No Names.

Deeply grieved that rumor had said she would wed an English duke, Mrs. Frank Morris Avery to-day denied that reference was made to her by the London society journal which announced the engagement of another duke to an American woman without mentioning names.

The article said that the bride-to-be was an Illinois woman, and as Mrs. Avery is the only woman from that State who has been prominent in British society her name was at once mentioned as the one intimated by the London paper.

Mrs. Avery, a remarkably pretty and very wealthy young widow, is now at the Hotel Manhattan, where the gossip has reached her and from where she gives a denial, after first refusing to confirm or deny the report.

A note was sent to Mrs. Avery in her apartments asking her to make some statement to answer the question if she had pledged her hand and fortune to a duke.

After a long conference between Mrs. Avery and her secretary, Miss Curtis, the latter appeared and said that Mrs. Avery had decided to make no statement whatever. Subsequent communications by note were ignored.

### Denies Truth of Rumor.

An Evening World reporter then called Mrs. Avery's apartments in the hotel on the telephone, and a pleasant-voiced woman who responded when a maid called her to that end of the phone said:

"Mrs. Avery wishes to deny the truth of the rumor in as emphatic terms as possible. She is not engaged to marry any one, nor is she considering matrimony, and she is deeply grieved that a story would gain credence that she was to wed an English Duke."

This was said in a manner to indicate that no English Duke could possibly hope to successfully appeal for her hand.

In England speculation is rife as to the particular duke to which reference is made. Of the twenty-two dukes in the kingdom there are only two who are considered at all likely as candidates for Mrs. Avery's hand. They are the Duke of Norfolk and the Duke of St. Albans.

The Duke of Norfolk is fifty-three years old and has been a widower for fifteen years. He is the Premier Duke and the Earl Marshal of England. St. Albans is a much younger man. He was born in 1879 and has never married. Neither has he taken a great interest in society, and the gossip favors the elder man. He is the head of the Beauclerc house, and became the eleventh duke in 1888.

### Mrs. Avery Popular Abroad.

Mrs. Avery has spent much time in London since the death of her husband. She had Lady Sarah Wilson's house in Grosvenor Square, London, last season and gave several brilliant entertainments. Her popularity was marked and rumors of her engagement often found their way to this country, only to be denied by Mrs. Avery and her friends. When she was presented at court she wore her beautiful wedding gown of almost priceless lace, with a wealth of jewels on her head and at her throat. She gained favor with the nobility at once by her beauty and grace.

Mrs. Avery's mother is Mrs. E. S. Clark, and both women are socially prominent in Chicago. Mrs. Avery still spends a portion of the year with her mother in the West.

### MISS JESSUP MARRIED.

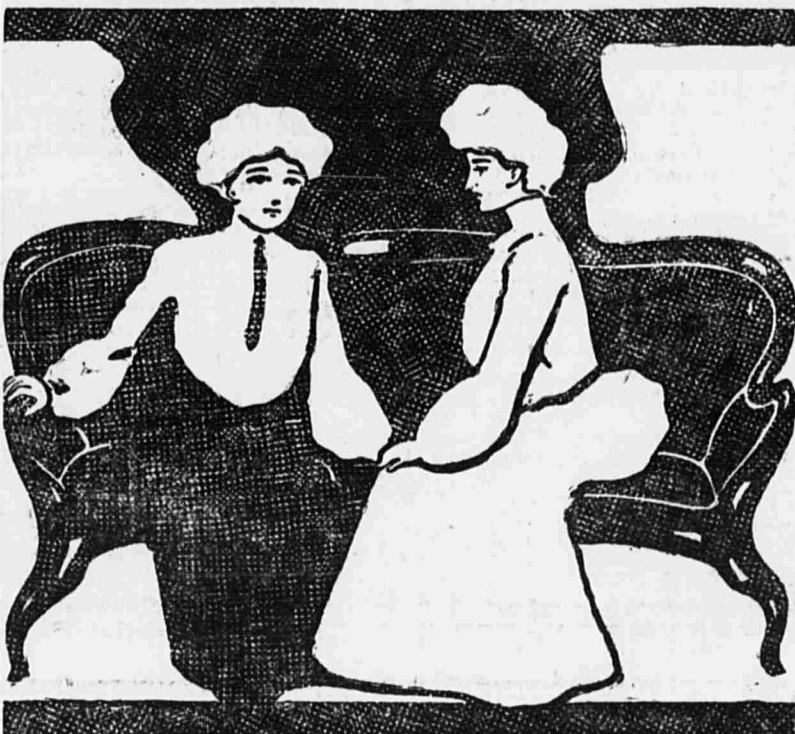

SCRANTON, Pa., Nov. 11.—The wedding of Miss Amy Harris Jessup, daughter of Mrs. Ellen Beardsley Jessup, and Livingston Whitney, of Morristown, N.

## MRS. FRANK M. AVERY, WHO WAS SAID TO BE ENGAGED TO A DUKE.

Jr. was held at the Second Presbyterian Church last evening, and the couple left afterward for the West. After an extended honeymoon trip they will go to Morristown to make their home. The matron of honor was Mrs. Rich-

ard M. Bissel, and the bride was given away by her brother, Albert Beardsley Jessup. The best man was Alfred R. Whitney, of New York. A reception followed the wedding at the home of the bride's mother. Many persons from New York and Morristown were present.

PROMINENT PEOPLE, Including Doctors, Lawyers, Ministers, Merchants and Members of Congress.

### TEST THIS GREAT CURE

Prof. Munyon Claims that This New Vegetable Pepsin Will Not Only Cure

### DYSPEPSIA

But All Forms of Indigestion and Nervousness and Add Many Years to the Average Life.

As was expected a large crowd thronged the offices of the "AMERICAN" and Journal all day Tuesday to obtain Munyon's Paw Paw Remedy. Among the crowd were our best-known citizens—half a dozen doctors obtained a bottle. One of them volunteered the remark that he had heard of the curative qualities of the remedy and would give it a thorough trial. One of our leading lawyers took a dose before he left the office and said that he expected now to live as long as Methuselah did. Most people seem to have an abiding faith in this remedy, believing they are going to be cured.

One old gentleman said that he believed in Munyon and in Munyon's Remedy, that Munyon's Rheumatism Cure had cured him of a chronic case of Rheumatism that afflicted him for more than fifteen years.

The crowd at each office was so great at times that the attendant was unable to handle the bottles fast enough, and one or two bystanders were called in to aid him.

Prof. Munyon says that his Paw Paw Remedy not only enables any one to eat what they like and all they like, but it stops all waste of the nervous system. The Paw Paw feeds and nourishes them so that the loss of the nerve force is almost imperceptible. By nourishing the nerves and preventing this waste, he claims that the average life should be more than "four-score years."

He says that people who eat heartily and digest and are in the enjoyment of life do not only have good, rich, red blood, but strong nerves, and people who have strong nerves are never troubled with insomnia.

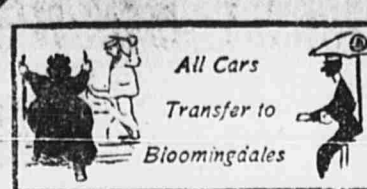

He says that the human body, instead of WEARING AWAY, PRETS AWAY. Indigestion causes fretfulness, irritability, anxiety and despondency. All of which is grinding on the nerves, and will wear away the nervous system just as much as a grindstone will wear away a piece of steel. Indigestion shuts out the sunlight of hope and wraps its victim in a shroud of selfishness. Preachers should preach the doctrine of good health, for a healthy community means a moral community. Prof. Munyon believes that if dyspepsia and indigestion were blotted out of existence to-morrow that prisons could be turned into workshops and saloons into libraries in a very brief time. Great revivals have been held in all ages for the purpose of leading men out of darkness into light, out of sin into righteousness. Let there be revivals now for good health.

I want all persons who suffer with dyspepsia or nervous trouble to cast away all other remedies and to give Paw Paw a fair trial. I want every weak and debilitated person to get a bottle of Paw Paw once and take it according to directions.

I know it will make old folks feel young and weak folks feel strong. I want every person who feels in need of a tonic to drop the use of alcoholic drinks of all kinds and take Paw Paw in its place. Munyon's Paw Paw gives exhilaration without intoxication.

Alcoholic stimulants lift, but let you fall. Paw Paw lifts and holds you. Every druggist sells it. Price \$1 per large bottle. Paw Paw laxative pills, 25 cents a bottle.

Free Distribution Continued. To give all an opportunity to get a free sample of this wonderful remedy the free distribution of Munyon's Paw Paw will be continued to-day at the offices of the American and Journal. Thirty-seventh street and B'way, 237 West 125th Street, Fulton and Washington sts., B'klyn.
